

KITCHEN “Before & After” Phone Coaching

“Simplify Your Life” with Marcia Ramsland * www.OrganizingPro.com * (858) 217-6320

This client wondered if there was hope. We organized her kitchen first with a lot of hard work. It was worth it!

AFTER: Success! This lady found her “Clear Line of Sight” across her kitchen countertop.

BEFORE: This client was bogged down in her kitchen and life as a busy working woman.

AFTER: Lots of work, but the table is clear!

BEFORE: Stuff piled up quickly without “homes.”

AFTER: Success! This surface shows my client’s flair for decorating with style once she decluttered.

BEFORE: Too much “stuff” in the kitchen makes cooking (and living) complicated.
